YOUNG ADULT LONELINESS

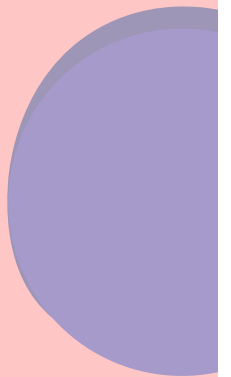

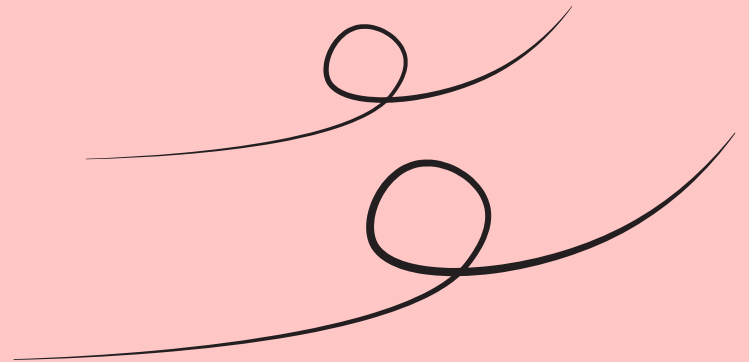

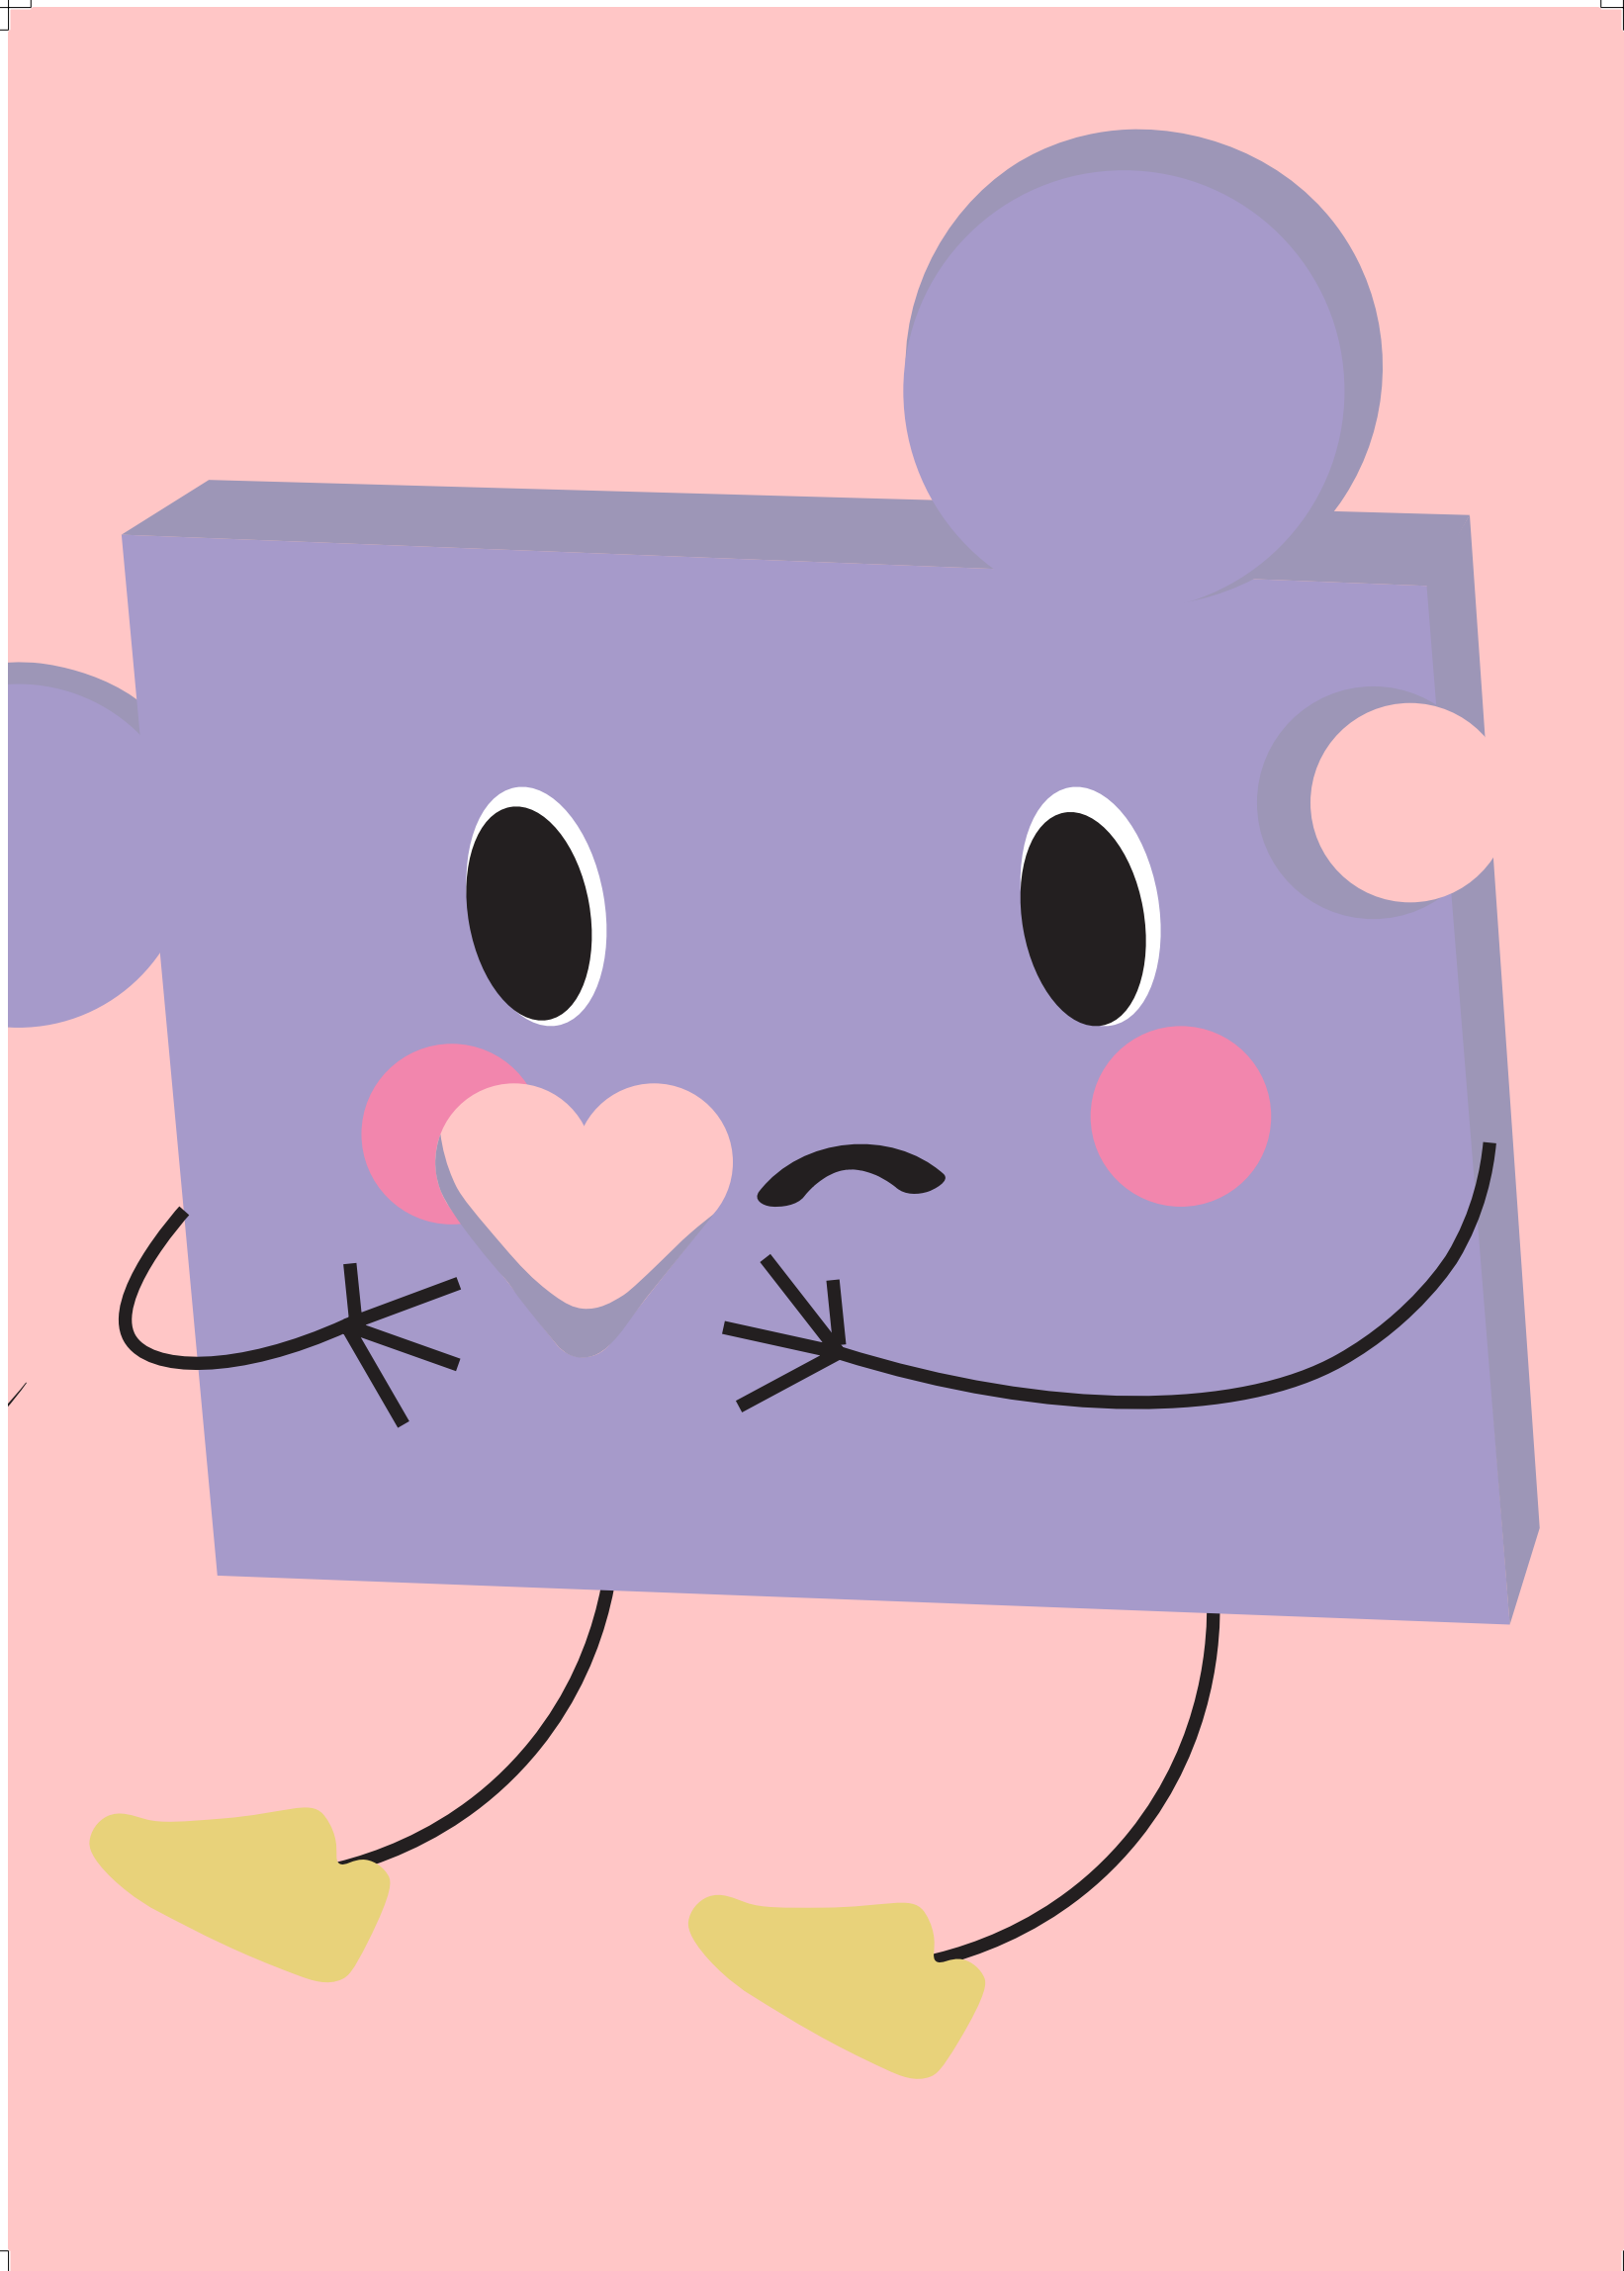

**Hi, Can I be
your friend?**

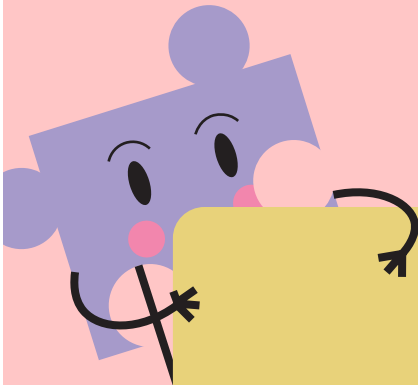

*Loneliness is sometimes like a
jigsaw **puzzle** with a missing piece.
You smile among the crowd, yet you
still feel a void in your heart.*

*A jigsaw **puzzle** represents
incompleteness,
but it also represents hope, because
there is always a chance that the
missing piece will be found.*

*Perhaps we are all searching for
that piece, so that the picture can be
complete once again.*
